PRESIDENTS REPORT

PRESIDENT'S REPORT -

PRESIDENT'S REPORT - July August 2019

Winter has arrived, however our members are enjoying runs to a cosy lunch venue in their cars with the heater set at cozy warm. I know I did on the June midweek run to Yarrawonga. A chance to thaw out after pruning in the vineyard on the other days.

Your event coordinators put a lot of time and effort into organising our events so please support them by supporting club events with your attendance.

As well as the midweek run events there are events being organised for weekends over coming months for those members who work Monday to Friday.

So watch our event calendar for these events.

Happy and safe motoring
Howard

Please remember to wear your name badge to
all Club events.

It is also important for older
members to make yourself know to our
newer members

SUNDAY BAKERY AND PUB RUN.

7th July 2019

Keep Sunday the 7th July free for a drive similar to the mid-week runs. Why should the retired Mid-week runners have all the fun!

I have planned a drive on some nice tarmac roads around the area that will end at Soden's Hotel so that members will have the afternoon free.

The run will be about a total of 170 km and include the towns of Kiewa, Chiltern and Howlong.

It will all begin at 9.15am on the 7th July from Gateway Island.

Don't let winter stop you attending.

TEMORA BOYS OWN TRIP

Talk about Boy's Own Manual!

We had trains, planes and automobiles for three fabulous days in Temora and Young with 32 members, wives and grandies all in perfect weather and all who travelled arrived home safely and without incident.

Friday morning saw 15 cars and 32 people on the Causeway and with a timely departure, we headed north and grouped for coffee at the Uranquinty bakery.

Then off to the fabulous little town of Coolamon which really resembled a huge op-shop but for the Cheese shop and the fire station museum. Terrific light lunch at the Cheese Shop where the Tobins joined us, then a walk up to the fire fighting museum, full of memorabilia accumulated over many years by the gentleman running the museum at the top of the main street. He greeted us like we were his only visitor for the day and made us very welcome.

A right hand turn, then off to Temora where we checked in to the Koreela Park motel and filled the car park and all of the rooms. Thirsts were at their most feverish and as luck would have it, the motel was conveniently located right next door to the Terminus Hotel where all thirsts were quenched. We all ate extremely well at the Terminus with huge meals and a few more libations. Detailed plans were discussed and made for the following day, but quickly forgotten!

Temora Museum

Saturday morning and we had breakfast at the Ex-Services Memorial Club and Dave refreshed our recent furry memories for the plan of the day. Off to the Temora Aviation Museum where we encountered the Aston Martin Club with a pretty healthy group of about 40 vehicles from beautiful DB3s to very modern, state of the art machines (some with dust!), none of which I could name. At the Aviation Museum, we toured the workshop and the hangar but unfortunately, there were no flying activities scheduled for the day, but those beautiful, historic aircraft were just spectacular. As an aside, David Lowy AO, is solely responsible for establishing this wonderful facility in 1999 and he is an Australian Aerobatic Champion and a very accomplished musician. In his spare time, David presides over the Lowy family's private investment entity, Lowy Family Group and until recently, sat on the board as vice-chairman of the Westfield Group. During the afternoon, we visited Ian Stiles who had the most amazing collection of military vehicles housed in a huge, purpose built shed on his rural property. He collects stuff! Included in his stuff were a engines (a V8 side valve with Offy heads, a modern Ford V8 under wraps...), a range of XY Fords (I'll take the ute, thanks) a 4x4 XY Falcon, army trucks, troop carriers and sufficient armoured vehicles to start WW2 again, not to mention the 5" cannon.

Temora Air Museum
Lambaguini Car Club
Temora Rail Museum

We had time on our hands and no urgent appointments, so we braved the Hong Kong Chinese for dinner and after an exhausting wait, we finally had a pretty good meal with lots of bright conversation among friends. The consensus was that the wait was worth it.

Sunday morning had us just up the street at Lake Centenary for a breakfast provided by the local CanAssist group. These people provide support for the families of cancer victims and we concluded that they need to work a little more on their catering skills, but we were well fed and watched as a beautiful Boeing Steerman came in on final, right over our heads on its approach to the airport.

Bill Cross and his wife joined us for breakfast before we departed for Bill's humble collection of fabulous autos in downtown Temora. What a collection it turned out to be – Kim McConchie, eat your heart out! Bill has fifteen relatively modern classics at his home and every one of them is 100% collectable. Each of them has been immaculately restored and lovingly stored in ideal conditions at Bill's home and he seems to have a particular penchant for Chryslers, including a V8 Charger and the most beautiful shag'n wag'n any young bloke of 70 would dream about. The HZ Monaro GTS (my personal favourite) was not too shabby either

Finally, a trip over to Young to meet members of the Cootamundra Antique Car Club at the fabulous Tierney's Ridge Railway. No toy trains here! These are all beautifully prepared models running on a series of complex tracks complete with points, bridges, sidings and beautifully crafted landscapes.

We enjoyed a BBQ lunch in conjunction with the members from the Cootamundra club before making our way back home.

A well run event, full of fun and laughs and very special thanks to Dave Anderson and Steve Short for making the arrangements. A special shout-out to Michael who manages the immaculate Koreela Motel. Michael greeted all of us as if we were family and he kindly arranged the courtesy bus to transport us to and from the Hong Kong Chinese on Saturday evening. We did around 620 km for the weekend and thankfully, there were no incidents to report

2019 Memorial Run

On Sunday May 5th on a lovely Autumn day 13 cars and 31 people headed off on this year's Memorial run travelling approx 120km.

Setting off from Gateway island via the weir and across to Kiewa for morning tea in the park opposite the old Kiewa Store. After morning tea we headed towards Dederang and then across to the Happy Valley Hotel at Ovens for a delightful lunch. As usual everyone wanted to win the days event especially Warwick who kept telling me he knew where he was going and then missed the turn to Myrtleford instead heading towards Mt Beauty although he did realise fairly quickly and turned around. And we are not sure if Greg & Lyn Harris had had enough when they through there question sheets out the top of their recently acquired MG at the cars behind. They did go back and collect them all and hand them in all be it a bit crumpled Thank you to everyone who attended and made this a great day out.

Daryl & Jennette Maclagan

Calendar Girls

After WW2 an Austrian gentleman that had been a champion motor cyclist donned his Lederhosen & wandered down to Italy. He set up business with a couple of chaps & started building cars which were called Cisitalia & as such started a long running association with FIAT during which time many cars modified by bore his name as well as FIAT. He also started making exhaust systems which are still in production today.

The man's name was Karl Abarth. When he became a naturalized Italian he thought it was only proper & correct to change his Christian name to Carlo. His star sign was Scorpio, so this became Abarth trademark. In 1971 FIAT automobiles bought Abarth out & he returned to Austria.

In 2012 rumours started to circulate of an all new Alfa spider based on the Mazda MX5 platform. FIAT management (owners of Alfa) that a deal had been signed, but in 2014 the boss of Alfa said no deal because all Alfas would be designed & built in Italy.

Not so much later rumours started to fly around about the the revival of the FIAT 124 badge, & then in 2015 the new vehicle broke cover at the LA Motor show.

Heavily based on the Mazda, the 124 is slightly larger (front & rear panels) & powered by FIAT running gear, with looks of the beautiful 1960s 124 spider.
Thanks to Anthony Saltalamacchi.

1967 'Mini' Cooper S

In 1959 Sir Alec Issigonis released his grand design, the Mini minor on the unsuspecting public. A vehicle designed with an 848cc engine, front wheel drive, a wheel in each corner of the body extreme to maximise interior space & economical. It was an immediate hit with the motoring public & racing fraternity alike.

In 1961 a chap by the name of John Cooper, (he who built Formula 1 cars) could see the potential for a pocket rocket & toddled off to BMC where he sold the idea to George Harriman (the boss of BMC).A handshake deal was done for 10yrs, with Cooper getting £2 royalty for every mini-Cooper produced. The first produced was the Cooper 997 engined car. Then came the 1071cc Cooper S, a car never officially sold in Aust.

The Cooper was produced in Aust with locally pressed panels, which in 1965 with the introduction of the Mini deluxe gave Australia it's unique vehicle with Hydrolastic suspension, wind up windows with front 1/4 vents. The local car also got twin fuel tanks, which were optional elsewhere in the world. This was necessary for BMCs intentions for the Bathurst 500.

In 1967 the Mk2 arrived with different badging, wheel arch flares, synchronized 1st gear & few more minor changes.

7906 Cooper S were produced in Australia, with over 1000 going to the NSW Police force for Highway patrol duties.

Thanks to Warwick Jones.

**RIVERINA SPORTS CAR ASSOCIATION
MIDWEEK RUN 15 MAY 2019
GATEWAY ISLAND - COROWA – COBRAM**

Again another brilliant club day for those able to attend midweek runs.

The weather was very kind to us as we departed "Gateway Island" on our way to the "Corowa Chocolate Factory". Nineteen vehicles left the Island and made their way via logic centre, Gooramadda and the "Up River Road" to Corowa.

At the "Factory" we were met by another 3 members, Stuart McMurray in his Mustang convertible, Ian & Gail Tuttle in their Honda 1300 coupe and Geoff & Yvonne Paris in their Subaru Forester.

Even following extensive advance negotiations regarding numbers forecast to attend morning coffee, the management were hopeless at providing coffee and cake to our group in the allotted time.

At least 8 members departed to Cobram without their order of coffee being served.

Some members were unable to continue to Cobram because of prior commitments; however we always enjoy the company of any one who can attend even part of our events.

The vehicles toured from Corowa to Mulwala & Barooga then over the Murray River to Cobram, where we visited the awesome car collection of John Anderson.

John's Father had been a Buick, Chevrolet (General Motors dealer) during the 1920's and he had on display an historic 1927 Buick Tourer, which his Father had originally sold.

John has been a bus operator and also has been the Toyota dealer in Cobram.

His beautiful collection of vehicles included;

2005 Bentley Continental Coupe

1923 Bentley 3lt. tourer, (incidentally this is the celebration of 100 years of Bentley) 1922 Sunbeam 16-20

1962 Mini Cooper "S"

1963 Jaguar 3.8 lt. sedan with chrome wire wheels (better than from the Factory)

1971 Jaguar 4.2lt. "E" type

1953 MM Racing/Sports (previously belonging to Lou Molina)

1956 Elfin Cooper Butler

1956 Austin Healy BN2

1934 MG/PR Racing.

1927 Buick Tourer

John had most graciously moved many of his vehicles from their secure indoor, under cover, locations to the forecourt of his previous dealership property to offer excellent viewing of these prized collectors cars.

We then all walked to the "Grand Central Hotel" in Cobram where we were served the best Country Hotel meal the Midweek Runners can remember.

The R.S.C.A. shouted John lunch for his efforts and our appreciation of his generosity.

What a great day this was. (41 members on the Midweek run)

Thank you all who attended, Robyn & I hope you enjoyed the event as much as us.

Robyn & Malcolm McEachern.

HistoricWinton 2019

Winton 2019 was again a very entertaining day of exciting historic racing, with lots of classic cars on display in the parking areas.

When we arrived at Fox St. to muster for our entry to the track I was surprised to see the smallest number of members attending that I could remember. Only approx. 9 cars left Gateway and after others arrived and our members racing, we had roughly 19 cars there.

A few other members supported National Motoring. Heritage Day run by Murray Heritage Club at Beechworth, which was great. It's a pity the days clashed.

President Howard commented that we even had free tickets left over that were not used!!

As an aside, Janene and I attended the Benalla Historic Tour which was held on the Friday preceding. We enjoyed the well run event and will see if other members are interested next year.

Gordon Nicholls.

Easter Saturday 20/04/19

Holbrook Ultralight Club Annual Fly-In

Bryan Gabriel of Holbrook Air Park had invited the RSCA to venture out on Easter Saturday to participate in a combined display with their Ultralight event.

Unfortunately there was not much notice to promote the event within the RSCA and with Easter happening as well, we did manage to present eight cars and having perfect weather it made for an enjoyable day.

It was interesting to wander around the many and varied ultralights and the Museum of early machines that has been collected over the years.

RIVERINA SPORTS CAR ASSOCIATION
MIDWEEK RUNNERS
12 JUNE 2019

RUTHERGLEN – YARRAWONGA – BRYAMINE HOMESTEAD

9.00am Gateway Island and the Midweek Runners are ready to roll.

It was out from the assembly area to the Freeway and down to the infamous highway turning oval where the eighty kilometre zones are in force.

Tutn left here and then onto Plunkets Road to Barnawartha, then to Chiltern via the old “Hume Highway” and to Rutherglen for coffee at Parkers Pies.

We were met at the bakery by Joe & Jeanette Achammer who had driven from Beechworth and our illustrious, President Howard Anderson, who resides in Rutherglen. Plenty of space good coffee and excellent service.

I attempted to take a telephone call at the bakery however the cacophony was near the point of mayhem and the call was unintelligible. This indicated that most members were very happy with the arrangements or a riot was developing.

They were very happy as almost everyone stood out front of “Parkers” and chewed the fat for a considerable time until directed to move to Yarrowonga.

Greg & Carol Chapple departed the group at Rutherglen returning to Wodonga as they had prior commitments

Little rain had been observed by Rutherglen, however as we all assembled adjacent to the “Yarrowonga Hotel” the rain commenced.

This hotel has been a favourite of mine when organising events in Yarrowonga as the décor is pleasant and the food and beverages are excellent.

We were advised that the owner, over the past ten years, has spent \$3.5M on the total rebuilding of the hotel and it is obvious

Following a leisurely lunch 14 vehicles and 20 members travelled the 14km to “BYRAMINE” Homestead where we were provided with delicious home baked scones, spread with mountains of jam and lashings of cream and tea or coffee for afternoon tea. A history of the property and the Homestead was provided and we were then free to self explore the Homestead.

All this time the rain had settled in and everything had become very wet. Some members had to leave early to complete prearranged commitments and the

balance left “BYRAMINE” by 3.30pm. for a wet drive along the Murray Valley Highway

BYRAMINE”

One of the most important homes in the North-East is the Byramine homestead, fifteen km west of Yarrawonga.

The homestead was built by Elizabeth Hume, the wife of the brother of Hamilton Hume, the first explorer to pass through the district.

Elizabeth’s husband, John Hume had been killed by bushrangers in 1840 and two years later, the family moved to the Hume River (Murray River) to settle on the run known as “Yarroweya”. After some minor disputes with neighbours as to the size of the property, Elizabeth Hume and her nine children commenced work on developing their 85,000acre lease.

Elizabeth brought with her plans for a house which had been designed for her by an English architect who had specialised in plans for homes in India.

The homestead is a unique octagonal design, constructed with 40cm brick walls 60cm wide windows and timber work using white ant resistant Murray Pine.

She chose a beautiful site by a lagoon on low sandy hills surrounded by a forest of pine trees

“Byramine” was the name chosen by Elizabeth Hume but this was gradually changed by the early Scottish settlers to Burramine. Today the home is better known as Burramine or Yarrawonga Homestead.

MEMBERS ATTENDING MIDWEEK RUN:

1.	Robyn & Malcolm McEachern	Jaguar XKR	coupe
2.	Owen Gibbens & Dave Anderson	Holden Monaro	coupe
3.	Phil Harrison	MGB GT	coupe

Please bring your own Club name badge this year!

Friday 13th September	
2.00 - 4.00pm	FREE afternoon tea After travelling all morning, rest and relax at a casual afternoon tea provided by members of the MG Car Club of Wagga Wagga. Held at Collins Park (see map). This is weather dependant.
7.00pm	Noggin' & Natter Meet other participants and enjoy a casual buffet at the Mercure Hotel Wagga - a short walking distance from most central hotels.
Saturday 14th September	
10.00am	Registration Meet at the Cross Street car park and collect your GOF registration and goody bag. Then take some time out with a short stroll to our wonderful city or stay and have a coffee while we judge the cars.
11.00am	Car Judging All entrants' vehicles are on public display at the Cross Street car park. Cars will be judged Saturday so you can all have a more relaxed start to your Sunday morning, and hopefully be able to get away to home earlier.
1.00pm	Fun run What better way to enjoy your MG than by sharing your experience with other owners on our fun run. Please be back at the Cross Street car park by 12.30pm for a 1pm departure. A map and directions will be provided.
2.30pm	Afternoon tea After the run, sit back and enjoy a hot tea or coffee, plus a delicious afternoon tea provided by the Country Women's Association.
7.00pm	GOF Dinner This year we will be having a small optional trivia during dinner, with prizes for the winners.
Sunday 15th September	
From 7.30am	BBQ breakfast Start your day with a BBQ breakfast at the Cross Street car park, freshly cooked by the Rotary Club of Wagga. "The Gathering of the Faithful" Celebrate our 2019 trophy winners - who knows, you might be one of them!

For more information contact the GOF Coordinator:
