RSCA Annual General Meeting

The annual meeting was held on the 24th October at the Commercial Club. It was great to see so many club members in attendance enjoying a lovely lunch and each others' company.

There were a number of awards handed out at the meeting. Congratulations to Angela Hunter for winning the Annual Scribe's Award, which is awarded to the club member who provides the most photos and written contributions for inclusion in our club magazine, website and Facebook page. Well done and congratulations to Julie and Phil Wilkins for winning the annual award on the RSCA memorial run.

Angela being presented with her award by Club President Howard

Julie And Phil Wilkins won the award on the Annual Memorial Run.

Congratulations to Anthony Saltamacchia for winning club member of the year. Anthony's contributions to organising club events and all his work behind the scenes for the club have not gone unnoticed.

Congratulations to Peter Thompson for his successful nomination for committee member. Congratulations also to Bryan Liersch for his appointment to the position of club liaison officer.

PRESIDENT'S REPORT

RSCA 2021 AGM - President's Report

It has been two years since our last AGM and how our world and lives have changed during this pandemic. I would like to thank our dedicated event coordinators and others who have managed to organise some events over the last eighteen months or so. Many events had to be cancelled unfortunately, however the few events that did manage to go ahead were thoroughly enjoyed by members.

I also wish to thank our committee who have kept our club running. We learnt about Zoom meetings during this time, so we could actually have a committee meeting during lockdowns. Some members also enjoyed a beverage during these meetings with no worry about any drink driving concerns.

One year ago, we couldn't wait for 2020 to finish and 2021 was hoped to be when the pandemic would be behind us, how wrong we were. However, looking forward; now we have all had our double jobs - well all of us in this room anyway, we now have hope that 2022 will be a year when we can return to our regular events and monthly meetings.

Our AGM is the end of our club year with award presentations and the election of our new committee of management. Bernie has retired due to he and Susan migrating to a warmer climate up north and they have invited members to keep in touch and visit them. I would like to welcome Peter Thompson to our committee for our year ahead.

I congratulate those members who are receiving awards and trophies today, well done. However, there are many other members who have contributed to our club over the past year and I thank all of you for your contribution. Lastly thank you to all those members who attend events, our organisers love having lots of members attending.

Happy and safe motoring,
Howard

Please remember to wear your name badge to all club events. It is also important for current members to make yourself known to our newer members.

Midweek run October 6th to Wangaratta

Well, following three days of extreme cold, rain and strong winds, the weather was a delight, a warm and sunny, 20 degrees with little breeze. Members began to assemble at "THE SHED" from 9.00am until departure at 10.00am. There was such a great number of delightful vehicles parked in Thomas Mitchell Drive (service road) and Mitchell Street that some passers by asked if there was a car show or something going on. With time for a look around the display and a much needed chat and get together with old friends and members, the feeling of getting back to where we were prior to COVID-19 was wonderful.

Maps of the trip were made available, a short welcome and directions of the days event were offered, then it was touring like the olden days. How good it was. An apology was received from members Raymond & Tina Jones, who because he had a slight sniffle, excused himself in the interests of all other members. He dearly wanted to be there on the day and bring his Ferrari in all its trumpeting glory for us all to appreciate. The day would have been perfect for him. The journey was past Bandiana, Baranduda, through Yackandandah to Beechworth, on to Buckland Gap Road, right turn to Tarrawinge and Wangaratta.

We were early at the Gateway Hotel, however such a beautiful day and the need to chat nothing was lost in the car park gathering. While stopped at the car park we received a call from Susan & Bernie Campbell who were in Coffs Harbour and wished us well for the day's outing. Some members who stopped in Yackandandah, others in Beechworth, for a coffee joined us and the group entered the wonderful dining areas in the Hotel. All members were served an alternate menu, a drinks bar was attended and the service in both dining rooms was exemplary. Many thanks to the proprietors Wendy & Peter Lester for their attendance to our needs.

Midweek Runners October 13TH 2021 – Wodonga to Wangaratta

This was the second midweek run by the RSCA in October. Members were desperate to get out, use their cars, and enjoy some social intercourse with other friends, all who have experienced COVID-19 lockdown on and off for the past 18 months.

We assembled at “THE SHED” in Wodonga at 9.30am where old friendships and new members joined in expectation of what was to be another great day’s touring. This was a repeat of the event held on the previous Wednesday 6th October when 21 cars and 36 members and guests enjoyed the run to Wangaratta. On this occasion we had 15 cars and 30 members and guests participate on the delightful journey through Yackandandah, Beechworth to Wangaratta.

There were Mercedes, Porsches, BMW’s and I began to wonder if this was becoming an offshoot of a German car club. The run was approximately 1hr 25 minutes and we all arrived without incident at the Wangaratta venue. The weather was generally fine on the trip to our luncheon venue, although overcast, and only began to rain on the way home later in the afternoon. Lunch at the GATEWAY HOTEL was held in the glass-walled dining room and was excellent service and value, with white tablecloths, quality crockery and cutlery, bar service, and the best table service to make every member feel special.

Many thanks to Raymond & Tina Jones for their involvement in the midweek runs and for their generosity in catering for us at the Gateway. Following lunch and general fellowship, members departed and made their way home to complete another successful day.

Anthony and Angela's Memorial Run - 17th October

Finally, after a two year wait, we were able to have a great day out, and with only a two week notice, our memorial run was organized. The run took us from Hovell Tree Park via Wodonga and Old Barny Rd to Rutherglen, for a treasure hunt and morning tea. There were lots of conversations and long awaited catch ups for those of us who have not been able to participate in runs lately. There were winners all round with those who were quick off the mark finding several toy cars and farm machinery stashed throughout the Lions Park. Julie and Phil Wilkins took out the prize when they found the bonus points Booze Bus (no one looks for them but they find you) and it was fun to see everyone walking at a leisurely pace to find treasure. Off we set again to follow the trail via Gooramadda and Bungowana to The Siesta where we had a great meal in the Bullring, thanks to Steve and Ray Jones. I will say we did have a bit of a chuckle at some answers, especially Anthony's son who forgot that I live in High street. I truly hope everyone enjoyed the day as much as we did planning it.

Club Permit Scheme

Introduction of penalties for failure to comply with existing logbook obligations

Club Permit holders must ensure that:

- the Club Permit is affixed inside your club logbook
- each day the Club Permit vehicle is driven outside the vehicle's local zone, you must ensure that the next available entry in the club logbook is completed before you begin your journey
- if your journey begins before midnight and continues into the next day, an entry must be made in the club logbook for both days
- you do not complete or partially complete entries in a club logbook which relate to a future day
- if a club permit is a 45-day Club Permit, only the first 45 entries in the club logbook are used, unless a second 45-day Club Permit is issued for the Club Permit period and affixed inside the club logbook
- if all available entries in a club logbook have been completed, or the Club Permit has expired or been cancelled, the vehicle is not driven outside the vehicle's local zone until a new Club Permit is issued.

Club Permit holders are responsible for ensuring any driver of the vehicle operated under the Club Permit complies with these obligations.

Penalties now apply for logbook offences.

A specific offence for using a Club Permit vehicle as a commercial passenger vehicle is being introduced

There are now financial penalties for using a vehicle operated under a Club Permit:

- for hire or reward for the carriage of goods or freight, or
- to provide a commercial passenger vehicle service as defined by the *Commercial Passenger Vehicle Industry Act 2017*.

Operating conditions

In addition to the general conditions, VicRoads may impose an operating condition on a Club Permit that specifies the permissible use of the vehicle operating under that Club Permit.

VicRoads may suspend a Club Permit if it is reasonably suspected that the Club Permit holder has failed to comply with any operating condition of the Club Permit specified in the certificate of approved operations. Internal review rights apply.

Cancellation of a Club Permit

VicRoads may cancel a Club Permit if the payment of a relevant fee and the appropriate transport accident charge is dishonoured or not paid within 3 months after the date of expiry of the Club Permit.

Surrender of a Club Permit

A Club Permit holder may surrender a Club Permit. When doing so, you must ensure that at the time the Club Permit is surrendered, the Club Permit, the Club Permit label and the vehicle's club logbook are removed from the vehicle and destroyed. If VicRoads requires it, you must return the Club Permit number plates to VicRoads. Penalties apply for failure to comply.

Definition of a replica vehicle

The Regulations now define a replica vehicle. 'Replica' means a light motor vehicle that is an individually constructed vehicle that resembles, as close as practicable, the appearance and dimensions of the production vehicle on which its design is based. To be eligible for the Club Permit Scheme, replica vehicles must have the appearance and dimensions of a vehicle manufactured more than 25 years ago.

For a replica vehicle to be eligible for inclusion in the Club Permit Scheme, it must meet this definition, and a VASS approval certificate must be provided with the Club Permit application. Individually constructed vehicles and production vehicles are defined in the Vehicle Standards Bulletin (VSB) 14.

Some regulatory reform proposals will not be progressing in 2021

Based on consideration of stakeholder feedback and an assessment of current feasibility, the Victorian Government will not at this time be progressing the following reforms which were proposed in the consultation process:

- increasing the vehicle eligibility age from 25 years to 30 years for Club Permit vehicles
- requiring vehicles older than 15 years to be recorded on the Written-Off Vehicles Register (WOVR).

There is no plan to introduce the proposal to increase the Club Permit Scheme eligibility age. However, other regulatory proposals will be considered for introduction in the future.

For more information

For more information about the consultation process visit engage.vic.gov.au

Information provided in this brochure is an update of changes to the Club Permit Scheme. Search 'Club Permit Scheme' at vicroads.vic.gov for a full description of all Club Permit Scheme requirements and obligations.

SLIMLINE PLATES

VicRoads is now making same number club permit replacement number plates and same number club permit slimline replacement plates available. Because of systems limitations they are only available for order online for permit holders who have a myVicRoads account. Replacement and slimline club permit plates cannot be ordered at VicRoads' Customer Service Centres (CSC) . Slimline club permit plates are only available for new issue club permits at CSCs.

Currently, only H or CH plates are available in the slimline format. M plates and SR plates will be available shortly, and I will advise when they are available.

The fees are:

Fees for same number replacement club permit plates and same number slimline replacement club permit plates

Plate Type	Single	Pair
Standard Size (Replacement)	\$35.60	\$71.20
Slimline (Replacement)	\$125.00	\$185.00
Mixed (standard + slimline)	n/a	\$160.60

Fees for first issue club permit plates

Plate Type	Single	Pair
Standard Size (New issue)	\$19.20 (Veteran/Vintage/Motorcycle and trailer)	\$38.40 (Classic & Historic motor vehicles, Street Rods and Modified vehicles)
Slimline (New issue)	Not applicable	\$185.00 (Classic & Historic motor vehicles only)

It would be appreciated if you could distribute the attached information to your constituent clubs.
