PRESIDENT'S REPORT

RSCA - President's Report
Howard Anderson

It is pleasing for all of us that our meetings and events can resume again after the worst of Covid. Our April meeting was not a big attendance but it was great to see members attending to enjoy our guest speaker from Penrite and learn about this Australian based and Australian family owned business. Truly an incentive to use Penrite products in our cars instead of products from the big foreign owned multi-nationals. Also we were able to welcome Bernie back to our committee as Vice President replacing the position vacated by Greg due to his move to sunny Queensland. This magazine will also have details of the Chiltern Cancer Cruise where we were narrowly beaten by Murray Heritage for the trophy for the club with the most cars attending. This event was instigated by Bruce Gibbons so perhaps next year we can have the RSCA name on this trophy again. The glorious weather of Autumn will undoubtedly encourage our members to attend our events and I have been looking out of the winery door at work thinking "Oh! What a glorious day for a drive".

Wishing members happy and safe motoring,
Howard

Please remember to wear your name badge to all club events. It is also important for current members to make yourself known to our newer members.

Picnic in the park - Sunday 27th February

After a few days of bad weather, Albury turned out a bright and sunny day for our Annual Picnic in the Park at Noreuil Park. At 9.30am the convoy of cars started rolling in and our members were bright and bubbly after a long spell of little to no gatherings during the Covid pandemic.

It was awesome to catch up with so many friends after what had seemed a very long time. Masks were off, restrictions eased, the picnic chairs and baskets were out on the lawns with the thermos, snacks and lunch. What a day it was going to be.

After all the meeting and greeting, it was time to head down the rows of vehicles, there were just shy of 70 cars. Some cars we had seen before and there were some new vehicles recently purchased or finished in restoration. There was an old classics and modern models with an array of Australian and International vehicles. On display there were Ferraris, Lamborghinis, Mustangs, MGs, Holdens and Fords, Porsches, Jaguars, Fiats, Alfa Romeos and even a Maserati, just to name a few.

I believe a great day was had by all and most amazingly was the sea of spectators strolling through asking many questions and taking many photos. It was really a day for Club members to proudly display their cars and others to admire.

A special thankyou to Gordon Nicholls for organising the day and to Marilyn Jones for running the Memorabilia tent. And of course, to all our members that spent so much time preparing and polishing up their vehicle for the day.

It's days like this that makes me proud to be an RSCA member.

Thanks everyone.....

Anthony

Midweek Run - Wednesday 16th March to Beechworth

8.30am, and the starters were already on their marks. The weather was generally kind to us as it had sprinkled immediately prior to the start and held off all day. There were 18 members' cars and three apologies for the event. Nine "Midweek Runners" stickers were attached to the windscreens of members' vehicles, indicating that new cars have been introduced and new members have joined the social gang. The run was simple but delightful, through Wodonga to Leneva, Wooragee, Beechworth, "The Buckland Gap Road" and on to "Heiners Bakery" in Standish St, Myrtleford for morning tea & coffee, cakes, sausage rolls & pies. They looked after us very well indeed.

Following our Myrtleford stop it was out with the maps and on to the Hamlet of Ovens, then Rosewhite, Running Creek, Dederang, "Tunnel Gap Road", Mudgegonga, "Stanley Gap Road", Stanley and into Beechworth where we were catered for at the "George Kerferd Hotel" located in the grounds of the former Mayday Hills Mental Institution. This was the new menu for the season and I believe everyone was very happy with their service.

Special thanks must go to Jeanette Achammer who suggested this excellent venue. The day was an easy drive through picturesque country side with the trees indicating that Autumn is close, but not yet here. Green fields and a lovely feeling driving from our homes into the adjacent countryside.

Midweek Run - Wednesday 16th March to Beechworth cont'd

A brilliant introduction on the day was Raymond and Tina Jones and their Ferrari 360 Spyder to the Midweek Runners for the first time. The exhaust is absolute music to all who were in range of this magnificent vehicle. Other notable cars were Gary Nauer's MGA, Peter and Sally-Anne's Porsche Boxter, Jim Grice's Prince Skyline GT (one of only a handful in the world). John & Eileen Carthew always present a beautiful Ford FPV GT and the Kia Stinger (even if very dirty) is a lovely looking production 4 door sports car. Greg & Carol Chapple have had the MX5 resprayed and it looks a treat.

Cars and Coffee Sunday 20th March - Harry's BBB

It was a quiet Sunday morning at Harry's BBB for Cars and Coffee with 10 people turning up. We all enjoyed cake and coffee with the café being reasonable busy with a number of push bike riders motorbike riders also at the venue. We managed to get an area in the corner with plenty of conversations going on. Some about the number of Chryslers around over the weekend due to Chryslers on the Murray being shifted to another time. Bernie said there were a lot of Chryslers at the Kinross pub on the Saturday. I am hoping as months roll on people start to enjoy getting out more for outings as we all know how Covid has disrupted our lives in a lot of ways, so I am hoping to see a lot more people making the effort to get out and about.

Ladies Luncheon - La Maison, 1st April

We met at La Maison for a beautiful lunch incorporating a goodbye to myself (Carol Chapple) and we enjoyed great company and chat. I gave everyone who attended a “special gift” with a story that I hope everyone will remember.

Since then I have received quite a few messages and calls saying the peg had turned up in the peg box and memories were enjoyed. Thanks to all who contacted me and a reminder to some to dig the peg out from the bottom of the handbag and put in the peg tin.

Thankyou to everyone who could make it, Carol Chapple

Chiltern Cancer Cruise - 10th April

It has certainly been a trying couple of years since the last time this event was held. On Sunday, everything was in our favour. The Autumn weather was fine with a top of 24 degrees forecast. The start was an early one at Gateway island at 8am, before the convoy travelled down the Hume Freeway to Chiltern, in order to set up our cars all together. The rest of the crew met us there, already had the banner up, and our parking sorted. Owen Gibbens did a great job as the master of ceremonies throughout the day. As usual, this run was open to a number of clubs, and we saw a wide range of machines including motor bikes, classic cars, muscle cars and sports cars. Starsky & Hutch must have been there as I saw the Torino, there was a Rolls Royce a Mini Moke towing a camper and the usual wide variety of vehicles to view. Unfortunately, Murray Heritage took the prize for the most vehicles this year with a total of 37. The RSCA was pipped at the post with 32 participants. Special thanks to those families who brought 2 cars along to make up the numbers. Hopefully now this event will be back every year, and we can get more cars along next year.

Mid Week Run - 13th April - Albury to Bethanga via Walla Walla

20 Cars and 35 members gathered on the Causeway by 8.30am, to leave at 9.00am. The sports cars were out in force for the day as we travelled via Ettamogah, through the farming district to Jindera and on to Walla Walla. Morning tea was at the Thistle Café and Walla Walla Wares Bric 'a' Brac shop. While waiting for our refreshments everyone found plenty of tables to sit in the sun and talk as well as walking through the rooms of Walla Wares to find treasures they had been looking for.

Departed Walla Walla returning towards Albury via Gerogery we passed the new Plastics Recycling Facility that has been completed recently at Nexus Industrial Estate. Crossing over the highway we travelled through Thurgoona's new suburban development to the Riverina Highway crossing the Bethanga bridge to Bellbridge with beautiful views of Lake Hume at 98 % capacity and then on through the sweeping hills to the Bethanga Hotel. Everyone settled in the outdoor area for a few drinks and meal which was served promptly with a good variety of choice on the menu. Our thanks go to Malcolm for his great organization and sorry Malcolm and Robin were unable to attend.
