# PRESIDENT'S REPORT

RSCA - President's Report  
Howard Anderson

This time last year we had just been released from lockdown number six in Victoria. With spring 2022 now upon us we can enjoy near normal daily activities and more importantly enjoy our car club activities. The only black cloud on the horizon is the rising cost of fuel. Our club AGM is due next month on October 22 at 6pm at the Albury Commercial Club. This year our committee has decided to try an evening AGM and we hope members support this event. One reason to move away from our traditional Sunday lunch was the surcharge for Sunday food service. It would be great to see as many members as possible attend our AGM. For the coming year we need some volunteers to fill positions that will be vacated at our AGM. We need volunteers for treasurer, secretary and an assistant event coordinator to work with Gordon. Please show interest in these positions and feel free to give me a ring to discuss what is required on 0418 510 846.

## Midweek run - 13th July 2022

8.30am assembly at Gateway Island and the fog and freezing temperature made me wonder if anyone would turn up. However my fears were allayed as members filled the car parks.

I received a phone call from Greg & Cheryl Lewis, who were driving their XF Jaguar saloon at 110kmph on the Hume Highway north of Albury when they encountered a rear tyre blowout (roofing screw through the sidewall of the tyre) and were forced to apologise and cancel attendance at the days run. Fortunately no damage to the very expensive alloy wheel, vehicle or physical injury to themselves, look forward to their company on the next run.

Tony Brandt was also an apology having contracted COVID. Jeanette Achammer was also an apology being unable to secure a ride in from Beechworth, Stuart McMurray also apologized as he was stuck at Lightning Ridge amongst the opals, on holidays as was Gordon & Janene Nichols who were up north escaping the cold weather of the north east.

Forty two members attended the Midweek run today and we departed on time from Gateway Island onto the Freeway in extremely dense, cold fog and went to Barnawartha, Chiltern and Rutherglen via "Old Barnawartha Road", an interesting way to achieve the objective. Coffee etc; was served at Caffeine -n- Machine in Rutherglen and we entertained ourselves in the pre heated museum section of the establishment. They looked after us well.

Departing Rutherglen it was an easy trip towards Bundalong region on the Murray Valley Highway, turning left after the narrow concrete bridge over the Ovens River to Peechelbar where we turned towards Wilby and Tungamah where the first of the Silo Art works were. A quick stop here ( these silos are reported to be the first in the region and are now faded and require a major touch up), then on to St James ( original establishment of the legendary G J Coles retail empire, now owned by Westfarmers, then on to Devenish and lastly Goorambat with the horses and landscape and also the little church at the northern end of town with the full wall mural inside (brilliant).

## Midweek run - 13th July 2022

We departed Goorambat and arrived at the North Eastern Hotel Benalla at 12.30pm, on time, and 42 members were well catered for with adequate drinks and plentiful excellent food in their very accommodating establishment.

Some facts from the day

4 x Fords, 4 x Jaguars, 2 x Mazdas, 2 x Toyotas, 2 x BMWs, 2 x Mercedes, 1 x Kia, 1 x Chrysler, 1 x Porsche, 1 x Volvo, 1 x Holden, 1 x Afa -Romeo, 1 x Saab.

## Midweek run - 10th August 2022

8.30am and the weather was kind, cloudy but breaking sunny, couldn't be better on a late winters day in Albury/Wodonga. Members were already beginning to arrive and soon it was time to make the announcement that this would be my final organization of Midweek Runs – unless like John Farnham and “The Final Tour” there will be more.

We departed Lincoln Causeway via Bandiana Link to Baranduda, Alans Flat, Osbournes Flat & Yackandandah to Beechworth where we all enjoyed Devonshire tea, scones jam & cream at Moments 'n' Memories (34 camp Street) it was well recommended by all.

Following an excellent one hour morning tea break the touring group travelled from Beechworth towards Wangaratta turning off to Eldorado, an historic gold mining village of the past.

From Eldorado we travelled back towards Wangaratta to the Carragamungee Primary School where we turned into Carragamungee Road. (Carragamungee is Indigenous for “large Fish” It is claimed that in early settler times someone caught a very large cod fish and a local Indigenous identified it as “carraramungee”).

Turning right into Benton Rd, then Gayfer Rd, over the freeway and under the rail line and into Chiltern along the “old hume highway” into Barnawartha and under the Hume Freeway and along Plunkets Rd into Wodonga and on to the “Commercial Club” in Albury where we all enjoyed lunch in the Sports Bar & Grill.

A great day was had by all, the scenery was delightful, the historic buildings were in abundance and many of the members on the run had never travelled these roads before.

## Attention NSW members on H and D plates

Log Book entries for NSW vehicles on H or D plates TfNSW now has a permanent NSW Police liaison officer attached to the Historic and Classic Industry Working Group. Recent reports and social media posts have led to that officer providing the following suggested message to clubs.

This is quoted verbatim for your advice:

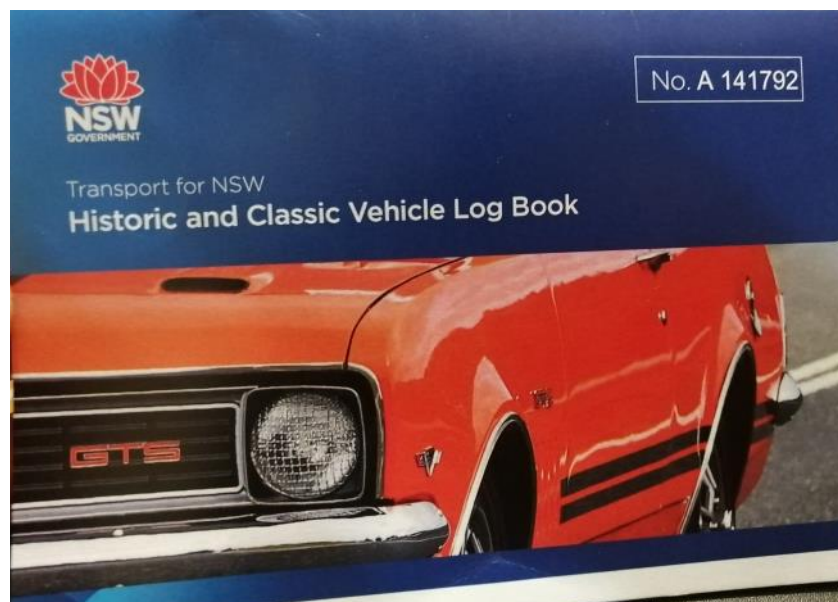

*“When completing a log book entry, the person who is completing the log book entry for the day should ensure that they are recording their “Full Name”.*

*It is important that the log book entry is completed correctly and before first use of the vehicle on that day, abbreviations, initials or “ditto” marks do not fulfill the requirements of the conditions of the log book.*

*One entry is required in the log book for that day regardless of how many drivers use the vehicle. The instructions are in the front of the log book.*

*Remember, log books allow personal use of vehicles and are an important part of the registration and insurance process, incorrectly entered or log books not completed could result in police action or non-payment of an insurance claim.”*

Club members are advised to heed the advice of the Police liaison officer.
